Buildings in Sofia

5. The Ministry of Defense is housed in a building located near the municipal park opposite the palace. It is a large four-story building. The nearest landmarks are the State Theater and the Sofia City Park. No one is allowed to walk on the sidewalk in front of the building; two guards are stationed at its entrance and four more around the perimeter of the building.
6. The offices of the Ministry of Foreign Affairs are located in the center of Sofia behind the Ministry of Defense. The building is large, white, and three or four stories high.
7. The offices of the Ministry of Agriculture are in Vŭzrazhdane (Renaissance) Square in a three or four story building with a dome-shaped tower. The offices of the Ministry of Forests are also located in this building.
8. A new Communist Party building is being built in Sofia, in the center of the city between Dondukov Boulevard and the Old Palace, near the Sofia National Bank. The building is expected to be completed in late 1952 or early 1953, will be seven floors high, and [redacted] about 45 meters in length (along the side of the building which faces on Dondukov Boulevard). Concrete is being used in the construction of the building. [redacted]  
[redacted] the construction area is surrounded by a wooden fence and it is forbidden to enter the area.
